U.O. (one file)
Retransmitted. 11th.

30) An estimate amounting to Rs. 21,000/- was scrutinised by this office and retransmitted to Government in this office No.U.O. 11822/RB-54-55 dated 17-2-55. This estimate provided for rates based on the accepted tender rate list. No mention was made as to when tenders were called for and the authority accepting the tender. This was pointed out in this office No.U.O.11822/RB-54-55 dated 17-2-55. This point remains un-answered so far.

31) Now a different estimate amounting to Rs.21,000/- based on the approved schedule of rates of the Trust Board for the year 1954-55 is received (qv. Edn. and L.S.G. Secretary's U.O. 134/55-56 dated 17-8-55). It is not understood why this estimate is based on schedule rates when tenders have been called for the execution of the work. This requires clarification.

32) A copy of the office note dated 6.9.55 is also enclosed herewith for reference and furnishing replies thereon.

SIR,

HB. 14 33-1

Subject : Formation of additional sites (second stage) behind All India Radio, Yadavagiri Extension, Mysore

---

I write to state that a scheme for constructing 16 model houses in the vacant space behind All India Radio, Mysore, was sanctioned in G.O.No.L.13130-31/I.T.B.18-53-38 dated 9-1-1954 at a total cost of Rs.74,400/- and that the houses have been completed in all respects and are being disposed of. As there was a large open space still in the area, a scheme for construction of 24 additional houses in the area was sanctioned by the Trust Board in resolution No.295 dated 28-10-1954. Sanction of Government thereto has also been sought for and is awaited.

I enclose herewith for kind information of Government, the marginally** noted references and request that sanction of Government may kindly be communicated for the formation of the layout in this area for putting 24 additional model houses as per consolidated estimate sent separately. All the necessary items of work have been provided for including water supply, underground drainage, semi-grouting the roads etc. Concurrence of the City Municipal Council has also been sought for and will be communicated in due course. The cost on this account is proposed to be met out of the provisions made under "Extension funds". I request the favour of early sanction of Government to the above proposal.

SIR,

Subject: Formation of additional sites (Second stage) behind All India Radio, Yadavagiri Extension, Mysore.

In continuation of this office letter of even No. dated 19-4-1955 forwarding the above estimate for Rs.21,000/- based on the schedule of rates of 54-55 etc., I write to state that originally the estimate was got up based on the tendered rates relating to the works for the 1st stage lying in the adjacent area for which lowest rates were accepted by the Board in Resolution No.308 dated 25-11-53, copy of which is herewith enclosed for kind information. As desired in your letter No.L.206/ITB-17-55-2 dated 11-4-1955 the estimate has been suitably corrected providing schedule of rates of 54-55 and submitted for favour of kind sanction of Government. Fresh tenders will be called for after sanction of Government is communicated to the estimate.

Sir,

Subject Formation of additional sites (second stage) behind All India Radio, Yadavagiri Extension, Mysore.

With reference to your letter No.L.3171 dated 21/30-6-1955 regarding the above, I write to state as follows:-

This estimate has not been sanctioned so far. The rates provided in the estimate were based on the tendered rates for the first stage of works. The same was provided as per the schedule of rates for 1954-55 as directed by Government in their letter No.L.206/I.T.B.17-55-2 dated 11-4-1955. This estimate is different from the first stage estimate already submitted to Government for a sum of Rs. Rs.39,000/- wherein the works have already been taken on

SIR,

Subject : Formation of additional sites (second stage) behind All India Radio, Yadavagiri Extension, Mysore.

With reference to your letter No.L.8375 dated 10-10-1955 on the above subject, I write to state as follows:-

Previously the estimate was got up for the above work, based on the accepted tendered rates for first stage of works in the same area. The Government in their letter No.L.206/I.T.B.17-[illegible]-2 dated 11-4-1955, returned the above estimate, with the observation that the estimate may be retransmitted providing schedule of rates, as this is a fresh estimate. Accordingly the estimate was retransmitted based on the schedule of rates for 1954-55, in this office letter of even No. dated 19-4-1955. Hence, the estimate under reference itself is the original estimate which is to be taken up for execution after sanction. In view of the above clarification, I request you kindly to obtain and communicate the sanction of Government to the estimate under reference at a very early date.

Yours faithfully,

S. Linganna 13/10.

---

With reference to your letter No.L.12027/ITB.14-55-47 dated 24-12-1955 on the above subject, I write to forward herewith the original estimate got up, based on the accepted tendered rates and scrutinised by the Chief Engineer, for favour of needful.

Yours faithfully,

(S.Linganna)
Chairman.

DVS)

OFFICE NOTE:

Subject:- Formation of additional sites (Second stage) behind All India Radio, Yadavagiri Extension-Mysore.

An estimate for the above work was scrutinized for Rs. 21,000/- and retransmitted to Government in this office No.U.O. 11822/RB-54-55 dated 17-2-1955. This estimate has not been made available for reference (q.v. para 15 of the U.O.diary).

The rates provided for in the estimate now received are in accordance with the approved schedule of rates of the Mysore City Improvement Trust Board for the year 1954-55. The rate provided for in respect of collection of gravel is higher than the schedule rate; the lead involved is not intimated.

It is seen that the roads to be newly formed are not provided with soling metal and curb stone or pitching at the sides.

A data sheet (for Rs. 5/- per Rft.) in respect of a box drain 2'xl 1/3' section is enclosed. The provisions made therein cannot be checked in the absence of detailed drawings. The data rate of Rs. 5/- per Rft. of box drain 2'xl 1/3' section is seen to have been allowed for a drain of section 1½' x 1 1/3' This has to be clarified.

The three lines-whether they be water supply, sewage or power lines which are shown in the lay-out plan run close to several sites. This may be avoided.

The estimate makes provision only in respect of water supply and sanitary services, no provision being made for electrification of the layout.

No provision is made for establishment, tools and plant charges.

It is noted on the estimate that the land is already in possesion of the Trust Board and "the rate per sq.yd. of site would be considered by the Board at the time of disposal of the sites taking into account the cost of land"

In the report accompanying the estimate, it is stated that the scheme is a self-supporting scheme. But, no "realisation statement" showing the expected realisation from the sale of sites and the expected percentage profit, if any, on the out-lay (including cost of land, Establishment, Tools and Plant charges etc.,) are not furnished.

To

The Chairman AIRTB

Sir,

With reference to correspondence ending with your letter No 22 C4083/54-55 dated 2.1.1958 on the above subject I am directed to state that the estimate amounting to Rs 21,000/- which has been sanctioned by the CE and which has been submitted with your letter under reference provided for rents based on the Accepted Lowest rate list. No Enquiry has been made as the tenders were called for and the Authority accepting the tender

35

The information which was called for in his office letter No L 206/9003/7-55-2 dated 11/6/55 remains unanswered

A different estimate amounting to Rs 21,000/- based on the approved Schedule of rates of the Dams Board for the year 54-55 is received with your letter No Dy C 483/54-55 x Flag F dated 6-7-55. It is not understood why this estimate is based on schedule rate when tenders have been called for the execution of the work. This requires clarification

A copy of the Chief Engineers office note dated 6.9.55 is also enclosed herewith for reference and furnishing replies there on. Flag 'K'

BANGALORE.

SIR,

Subject: Formation of additional sites (second stage) behind old All India Radio, Yadavagiri Extension, Mysore.

With reference to your letter No.L.1989/ITB.14-55-80 dated 28-4-56 enclosing a Chief Engineer's note on the above subject, I write to state as follows:-

1. Previously the estimate was got up for the above work based on the accepted tendered rates for first stage of works in the same area Government in their letter No.L.206/ITB. 17-55-2 dated 11-4-55, returned the above estimate with the instruction that the estimate may be retransmitted providing schedule of rates, as this is a fresh estimate. Accordingly the estimate was retransmitted based on the schedule of rates of City Improvement Trust Board for 1954-55 in this office letter No.D2.C.483/54-55 dated 19-4-1955. This fact has been clearly reported in this office letter of even No. dated 13-10-1955 and a copy is enclosed for reference. Further the work in question is not yet taken up and no tenders have been called for since the estimate is not sanctioned by Government.

2. The rate provided in the estimate for the item of gravel is in accordance with the schedule of rates 54-55 of City Improvement Trust Board. Hence the rate of Rs.1-5-0 Cyd. to the said item may kindly be retained.

Board (collection	0-9-0	vide item	3 page	21
Lead for 2 miles	0-12-0	"	2 "	21
	1-5-0 Cyd.			

3. The Board will only undertake mecadamising of the road leaving the other works of pitching or curb stones on either sides of the road

What about soling metal?

P.T.O.

3d

to be done by the local Municipal Council when the area develops to limit the initial cost such works are omitted.

4. A lump sum provision of Rs.1,500/- has been made in the estimate for road crossings for 300 Rft. assuming a rate of Rs.5/- Rft Technical sanction will be obtained for this item during execution. Hence provision may kindly be retained

5. The three lines shown on the plan are water supply cast iron mains. A modified layout plan is herewith enclosed where the said lines have been avoided

6. The work of electrification to any layout is the obligatory duty of the Municipal Council and in all the layouts so far formed, no provision has been made for electrification. As and when the lay-out develops the Municipality provids street lights paying annual royalty to the electrical department. No provision is therefore made in the present estimate.

7. As already stated provision for temporary work charged establishment only has been made in the estimate. As the establishment Tools and Plant charges are added to the total sale value of the sites formed at the time of disposal only the temporary establishment charges are provided in the estimate which is the practice in vogue in the Board.

8. The total area of 30 sites that could be formed as per the enclosed lavout plank is 6666½ Syd, which works out to Rs.3-3-0/Syd. But expected realisation would be about Rs.30,000/- with a net profit of Rs.9,000/- on the estimate, as the rate fixed for disposal is Rs.4-8-0/square yard in this area. I request you kindly to communicate sanction of Government to the estimate early

Yours faithfully,

Sir,

Subject:— Estimate for Rs.21,000/- for forming layout of sites behind old All India Radio in Yadavagiri extension.(II stage)

With reference to your letter dated 21-8-1956, 1337/ml. 6/419. communicating G.O.No.L.8671-74/I.T.B. 14-55-109 dated 21-8-56 sanctioning the estimate for Rs.21,000/- for forming layout of sites behind old All India Radio in Yadavagiri extension (II stage), I write to state that only the sanctioned estimate is received in this office along with the Government Order and the connected sanctioned plans are not received. As sanctioned plans are required for reference, I request that they may kindly be sent early.

In this connection, it may also be pointed out that the sanctioned estimate for the above work is sent without the enfacement and signature of the sanctioning authority on the sanctioned estimate. I request that this may kindly be incorporated while communicating sanction to the estimates as in the case of Public Works Department Secretariat.

Yours faithfully,

S Linganna

(S.Linganna) 4/9
Chairman.
